

Interviewing

A way to gather information by asking questions

People often enjoy telling stories about their experiences.

A good interview enables you to gather valuable information.

Interviewing gives you an opportunity to speak directly with the people who can help you make informed decisions about your products and services. Interviewing helps you gain a better sense of people and their views of the world by learning about their true feelings, desires, struggles, and opinions. Listening and asking carefully crafted questions are the keys to a good interview.

Benefits

Gathers information directly from people
Challenges your preconceptions
